EXTRA SIZE EXTRA BEAUTY

Large tiles are a stunning choice for any space. Their grand size creates a seamless and elegant look that adds a touch of sophistication to any space. Additionally, these tiles can help make a small space appear larger, as there are fewer grout lines to break up the visual flow.

SEVERAL POSSIBLE APPLICATIONS

PULIDO

Possible applications for tiles with a PULIDO surface for flooring are endless. The polished finish adds a touch of elegance and sophistication to any room, making it perfect for high-end residential or commercial spaces.

LEGACY

Legacy surface tiles are ideal for creating a warm and inviting atmosphere in any space. Their textured finish adds depth and character to walls, making them perfect for accent walls or feature pieces.

LEATHER

Leather surface tiles are a unique and stylish option for walls. They add texture and depth to any space, creating a warm and inviting atmosphere. These tiles are also perfect for creating accent walls or focal points in a space, adding a touch of luxury to your home or office.

SATIN

Tiles with a satin surface are ideal for creating a warm and inviting atmosphere in any room. This finish is perfect for walls, as it adds texture and depth without being too overpowering. It can also be used for decorative furniture, such as accent pieces or tabletops, to create a subtle yet stylish look.

TECHNICAL FEATURES

Adicon tiles are a popular flooring option due to their impressive technical features. They are highly water-resistant, making them ideal for use in bathrooms and kitchens. Additionally, tiles are easy to clean and maintain, making them a hygienic choice for households with children or pets. They are also suitable for contact with food, which is particularly important in commercial kitchens or restaurants. It has many more features that make it a favorite choice for flooring because of its durability and resistance to wear and tear.

- Water Resistant Surface
- Hygienic and Suitable for Contact with Food
- Stain Resistant Surface
- Hygienic and Suitable for Contact with Food
- Scratch and Abrasion Resistant
